Question - 2:

Top 13 Situational Interview Questions As Clerk Data Entry Sorting Machine:

Ans:

Situational interviews As Clerk Data Entry Sorting Machine are similar to behavioral interview questions - but they are focused on the future, and ask hypothetical questions, whereas behavioral interview questions look at the past.

The advantage is that employers can put all candidates in the same hypothetical situations, and compare their answers.

1. What would you do if you made a strong recommendation in a meeting, but your colleagues decided against it?
2. How would you handle it if your team resisted a new idea or policy you introduced?
3. How would you handle it if the priorities for a project you were working on were suddenly changed?
4. What would you do if the work of an employee you managed didn't meet expectations?
5. What would you do if an important task was not up to standard, but the deadline to complete it had passed?
6. What steps would you take to make an important decision on the job As Clerk Data Entry Sorting Machine?
7. How would you handle a colleague you were unable to form a positive relationship with?
8. What would you do if you disagreed with the way a manager wanted you to handle a problem?
9. What would you do if you were assigned to work with a difficult client As Clerk Data Entry Sorting Machine?
10. What would you do if you worked hard on a solution to a problem, and your solution was criticized by your team?
11. How would you handle working closely with a colleague who was very different from you?
12. You're working on a key project that you can't complete, because you're waiting on work from a colleague. What do you do?
13. You realize that an early mistake in a project is going to put you behind deadline. What do you do?

Question - 3:

What type of salary are you looking for?

Ans:

This can be a very tricky question as the individual asking it is probably digging for something other than a simple answer to the question. We recommend that you don't immediately respond to the question directly. Instead, say something like, "That a difficult question. What is range for this position?" More often than not the interviewer will tell you. If the interviewer insists on direct answer you may want say that it depends on the details of the job - then give a wide salary range.

Question - 4:

What have you learned from mistakes on the job?

Ans:

Candidates without specific examples often do not seem credible. However, the example shared should be fairly inconsequential, unintentional, and a learned lesson should be gleaned from it. Moving ahead without group assistance while assigned to a group project meant to be collaborative is a good example.

[View All Answers](#)

Question - 54:

What schedule do you hope to work? Are you willing to work extra hours?

Ans:

Be honest. If you really want the job and are willing to work any schedule needed, say so. If, however, you have no intention of working late hours or weekends, simply let the interviewer know the hours that you are available to work. The same applies to extra hours. You are more likely to be hired if you are willing to work any time you are needed. However, saying that you are willing and then complaining about the hours once you start working is a recipe for disaster.

Question - 57:

How would your friends describe you?

Ans:

My friends would probably say that I'm extremely persistent - I've never been afraid to keep going back until I get what I want. When I worked as a program developer, recruiting keynote speakers for a major tech conference, I got one rejection after another - this was just the nature of the job. But I really wanted the big players - so I wouldn't take no for an answer. I kept going back to them every time there was a new company on board, or some new value proposition. Eventually, many of them actually said "yes" - the program turned out to be so great that we doubled our attendees from the year before. A lot of people might have given up after the first rejection, but it's just not in my nature. If I know something is possible, I have to keep trying until I get it.
