### Question - 4:

What has disappointed you about a previous job?

#### Ans:

Again, this question could get you in trouble so tread carefully. Some good answers might be that your previous job didn't provide any room for growth, that you were laid off due to a mandatory reduction in staff, that they closed their office in your state and required you to relocate, etc. Make sure not to mention anything negative about the people you worked with, the company in general or the job itself.

### Question - 5:

Tell me about a time you failed?

#### Ans:

Everyone has failed, so don't play dumb or claim you've never messed up As Labourer Dairy Farm. Think of a time when a work-related situation didn't turn out quite as you had hoped. ### Question - 6:

If you had enough money to retire would you?

#### Ans:

Just be honest. If you would retire then say so. But since you can't retire, and the interviewer already knows this, simply answer that since you can't this is type of work you prefer doing. However, if you wouldn't retire if you had the money then explain why. Work is an important element of happiness for most people and many won't retire even when they can.

**Question - 7:**

How long do you want to work for us if we hire you?
