Management Skills Interview Questions And Answers Guide.

Question - 1:

Describe management style model?

Ans:

An effective manager has a variety of styles that he or she can use depending on the situation. They all involve the degree to which a manager decides to involve employees in decision making. Management styles also reflect the relationship the manager has with employees. A management style model will help you see the difference between the available management approaches.

Question - 4:

What is sell mode?

Ans:

In the sell management style, the manager has made the decision and then attempts to persuade employees that the decision is correct. The manager attempts to gain commitment from staff by selling the positive aspects of the decision. During the process of selling the decision, the manager may allow the employees to influence the details of the decision.
