Question - 2:

Described about your biggest weakness that's really a weakness, and not a secret strength?

Ans:

I am extremely impatient. I expect my employees to prove themselves on the very first assignment. If they fail, my tendency is to stop delegating to them and start doing everything myself.

To compensate for my own weakness, however, I have started to really prep my people on exactly what will be expected of them.

Question - 3:

What if you work here for five years and don't get promoted? Many of our employees don't. Won't you find it frustrating?

Ans:

I consider myself ambitious, but I'm also practical. As long as I am continuing to learn and grow within my position, I'll be a happy camper. Different companies promote people at different rates, and I'm pretty confident that working for you will keep me motivated and mentally stimulated for several years to come.
