Question - 9:

Explain about Business Principles?

Ans:

Executive officers entrust their assistants with confidential business information, and some executives even confide in their assistants on personal matters that have little to do with business. In some cases, executive assistants are not only the gatekeepers for executive leadership, but they also are confidantes. A tough interview question that probes the interviewee's business principles and ethics includes, "Suppose you are the assistant to the CEO of one of the most profitable companies in the world. Your boss lets it slip that she's been wrangling for the acquisition and control of a competitor.

Question - 10:

Explain your Organizational Skills?

Ans:

Personal assistants must have organizational skills and the ability to prioritize work. Tough interview questions that assess their strengths in this area include "How you prioritize urgent responsibilities when you have little time left in the day to complete your tasks?" and "One of your co-workers has offered to help you on one of your busiest days; however, you believe your skills are far superior to hers. How would you respond to her offer when you really do need help?" The candidate's answer to the second question also sheds light on her ability to tactfully refuse or accept help from co-workers.

Question - 13:

What are most satisfying aspects of your present job?

Ans:

The most satisfying aspect of my role is being able to help the executives make informed decisions that affect the rest of the Company. I enjoy working with and supporting successful people at the top-level of their career.

[View All Answers](#)

Question - 14:

Why you want to leave your current job?

Ans:

For a long time I really enjoyed working for my current employee and I have felt that I learnt a lot from the role and also from my manager. However the job is limited and doesn't provide me with much room to grow (you can expand this for what ever reason fits your circumstances) . I feel that this position will give me the opportunity to expand my skill set and also move forward in my career.

Question - 15:

Tell me about your weaknesses?

Ans:

In my previous role I had to work with a lot of strong-minded and opinionated consultants and found that I lacked the ability to be assertive with them and sometimes I felt they were able to get me to do work that I was uncomfortable with. After discussing this with my Manager I attended an assertiveness course and gain the training I needed to deal with them. I find it hard to say no. It is a work in progress but I am getting there.

Question - 16:

Tell me if you have any concerns about my skills or me that I can further address?

Ans:

Although it puts your interviewer on the spot, it gives you a chance to address any hesitations the employer may have about hiring you as an executive assistant. This could help you secure the position.

[View All Answers](#)

Question - 17:

What are your next steps asked them?

Ans:

This shows you're interested in continuing to move the process forward and it gives the interviewer a chance to share a bit more about the process and/or how many others are in the running for the executive assistant position.

[View All Answers](#)

Question - 18:

Do you offer any training incentives or career development opportunities?

Ans:

Expressing a desire to seek additional training signals that you're ambitious and want to enhance your contributions to the company. Questions about career advancement opportunities also indicate you're willing to make a long-term commitment to the organization.
