Auctions Clerk Interview Questions And Answers Guide.

Question - 1:

Tell me what are the types of software that you are comfortable with?

Ans:

The answer to this question should be factual - detail the Windows based applications and other business management applications you have used and your level of competence for each.

[View All Answers](#)

Question - 2:

Tell me what types of correspondence were you responsible for?

Ans:

When answering clerical interview questions like this, indicate the level of responsibility you had with regard to generating and editing correspondence. Did you type correspondence from rough drafts, corrected copies, voice recordings, dictation or previous versions? Highlight your knowledge of English composition, spelling and grammatical rules. Explain how you ensured accuracy. Provide work samples to support your answer.

[View All Answers](#)

Question - 3:

What can you make from this piece of paper?

Ans:

'This is an opportunity for the interviewer to see how creative you are, whilst working under pressure,' 'If you manage to make an origami swan, fantastic! If, like most, you don't have such skills - it's the chance to see what you can create on the spot.

'If you're applying for a role where one of your main responsibilities is writing, for example a journalist, then you could say that you could make a multitude of stories from that one piece of paper without the help of origami.

'It's better to do this than spend half an hour folding it into intricate shapes and feeling totally out of your comfort zone.'

Question - 4:

Tell me what experience do you have with handling money?

Ans:

Detail what your responsibilities were in this area. Did you collect, count and disburse money? Was there any basic bookkeeping involved? Were you responsible for any banking transactions?

[View All Answers](#)

Question - 5:

Why do you want to do this job as Auction Clerk?

Ans:

This is a question that may be asked in the middle of the interview. It is asked to determine whether the applicant knows the ins and outs of the job and is serious. The best way to answer this question is through giving a proper break down of the aspects of the job that you like, and how it fits your skills.

[View All Answers](#)

Question - 6:

What fruit would you be?

Ans:

'Depending on the role you are going for this will affect your answer. If you are applying for creative designer role, the more unusual the fruit, and reason why you chose it, the better. If it's an accountancy role, maybe you should go with a safer option. The important thing is that you are able to say why so that your personality shines through - that's what the interviewer will be looking for.'

- * Quickbooks if required

[View All Answers](#)

Question - 32:

Do you have experience in which you assigned to be the main person who handles an important project - the focal point?

Ans:

This question is basically pitched at you to find out whether your recent employers gave you more responsibilities than a clerk would normally have. The interviewer may want to discern whether you have personal management skills or leadership abilities that would make you the perfect candidate to be promoted down the road.

Answering this question in the affirmative can make or break your application.

Therefore, highlight some of the major projects/responsibilities that were given to you. If you did not have any, but are interested in such responsibilities, mention this idea. If you had responsibilities in a volunteer position, elaborate on that.

[View All Answers](#)

Question - 33:

What are your educational qualifications that would support your application for the job of a clerk?

Ans:

Any job that has a responsibility attached to it has several qualifications that should be held by a person that applies for the said profile. Speak with a few friends, and compile a list of your qualifications and positive attributes. See which relate to the job. List them, with a quick real-life example of that trait in action.

Make sure that you carry your academic as well as other documents that support your application for the said position. Of course, not every interviewer will have the time to go through your documents, but the very fact that you have brought them would give you some extra leverage in obtaining the job offer.

[View All Answers](#)
