Phonologist Interview Questions And Answers Guide.

Question - 1:

Tell me what is glottal stop?

Ans:

a sound made by stopping air as it passes through your throat. In some varieties of spoken English a glottal stop is often used instead of a 't' sound in the middle or at the end of a word.

[View All Answers](#)

Question - 2:

What is stressed adjective?

Ans:

linguistics a stressed word or syllable (=part of a word) is pronounced more loudly or with greater force than other words or syllables

[View All Answers](#)
