Ans:

Applique is a method of decorating garments in which one fabric is applied to another, often with floral and leaf patterns, but can be of any design and are stitched around the edged.

[View All Answers](#)

Question - 3:

What is acrylic?

Ans:

Acrylic fabric is a synthetic man-made polymer fabric. Acrylic Fabrics are lightweight, soft and tend not to crease. Acrylic is often used as a substitute to wool in jackets, jumpers, tops and scarves etc. However it is not as warm.

[View All Answers](#)

Question - 4:

What is brocade?

Ans:

Originating in the 17th Century Brocade is Italian for embossed cloth. A rich, ornate fabric with elaborate design - often reversible and featuring motifs such as flowers, foliage and scrollwork. Made with a jacquard loom.

[View All Answers](#)

Question - 5:

Tell us how will you handle stress?

Ans:

Handling stress is an another quality of a worker. Stress is a part of the work, in whichever field you work. The stress will make a person expert in his or her work, so this is why stress is important as it works as a catalyst for a candidate.

[View All Answers](#)

Question - 6:

Tell us in which area of fashion design jobs, do you wish to work?

Ans:

The areas are divided into three groups like street fashion wear, ready to wear and haute couture. Never try and impress employees what you are not. If you are an expert in one field stick to that only and speak flawlessly.

[View All Answers](#)

Question - 7:

What is coat?

Ans:

Outwear worn over a garment to provide protection from the elements. Coats come in varying lengths and styles. Some popular coat styles include Duffel Coats, Trench Coats and Great Coats.

[View All Answers](#)

Question - 8:

What is belt?

Ans:

A strip of flexible material made of various materials such as leather, cloth, woven fabrics or chain. Traditionally worn around the waist to support trousers - belts have grown into a fashionable accessory often worn around the waist or under the bust.

[View All Answers](#)

Question - 9:

Explain me what do you think about work ethics and what kind of ethics you believe in following while working with fashion?

Ans:

This again is a question which will probably relate closely to what motivates you to be a better designer and from your normal life what kind of ethics you follow and put up in your work.

[View All Answers](#)

Question - 40:

Basic Fashion Marketer Job Interview Questions:

Ans:

- * What made you decide to pursue a career in fashion?
- * What do you consider the most important facets of the fashion industry?
- * What do you think are the current and future trends in fashion?
- * How do you think your education has prepared you to work in fashion?
- * Define "Fashion."
- * What were your daily tasks at [Fashion Company]?
- * How do you handle stress?
- * How comfortable are you working hands on with models and designers?
- * What qualifies you for a career in fashion over other candidates?
- * Do you consider yourself a people person?
- * How do you handle conflict?
- * How would you describe your personal style?
- * Where would you like your career in fashion to lead you?
- * How would you deal with an arrogant client?
- * What hobbies do you have that relate to the fashion industry?

[View All Answers](#)

Question - 41:

Tell us about a time that you negotiated?

Ans:

"There's a lot of negotiation in the fashion world and we want to know that you're comfortable with that. This includes negotiating payment terms and rates with distributors and designers and being able to make deals that are beneficial to the company. To answer this question effectively, focus on a previous experience where you negotiated a deal or a contract and be sure to explain both your thought process and the outcome.

[View All Answers](#)

Question - 42:

Tell us being a fashion designer? What kind of clothes will you prefer during an interview?

Ans:

The candidate before going for an interview must check the attire properly and should be well dressed. Otherwise the interviewers will not take much time to find out the fault in the candidate.

[View All Answers](#)

**Question - 43:**

Tell us are you a literate regarding computer and technology for designing? Or what kind of softwares you use while designing. If no, then also be frank?

Ans:

In such type of questions, the candidates are tested on their ability to use technology for designing. It also portrays how truthful a candidate is about himself and his or her abilities.

Be frank and clear regarding the technology you use because if you lie on using the technology, you may be caught in the following questions. So be true while answering every query.

[View All Answers](#)

Question - 44:

Tell us how was your experience in our store?

Ans:

One of the key parts of being a fashion buyer is understanding the customer experience and being able to suggest changes that will help the brand improve. The main things interviewers like Chrissy want to know when they ask this question is, Do you know who our customer is and have you been to our stores?

To nail this answer, we recommend visiting at least one (but preferably two) of the company's stores and taking note of things like layout, customer service and window displays. In your interview, you can talk about how these factors shaped your experience, making sure to end on a positive note.

[View All Answers](#)
