### Question - 2:

Described the most difficult situation you have had to face and how did you tackle it?

#### Ans:

The purpose of this question is to find out what your definition of difficult is and whether you can show a logical approach to problem solving. In order to show yourself in a positive light, select a difficult work situation which was not caused by you and which can be quickly explained in a few sentences. Explain how you defined the problem, what the options were, why you selected the one you did and what the outcome was. Always end on a positive note.

### Question - 3:

Described your travel Achievements?

#### Ans:

On academic accomplishment, I managed to successfully complete my study. On professional/career achievement, I managed to survive and adapt in one of the undeveloped countries in Africa to support and train local people to do our job function for my company. I also did the same role for my company in one of central Asia countries and these experiences taught me to not be shy and to overcome the fears of talking and communicating with people. In the oil service industry you have to have a very outgoing personality and can't be shy, and this made me a love travel. I love to visit a lot of places and learn about different cultures. I am proud to say that I am a person who really knows what multicultural means.

### Question - 4:

Described your achievements as relationship with the customers?

#### Ans:

My biggest accomplishment in the position was my relationship with the customers. They knew that I would do my best for them and they knew I would go out of the way to help them. I would treat them like I would wish to be treated if I was a customer at that store. I pride myself that no matter how bad the company I worked for was, the customer were special.

### Question - 6:

Described the benefits of your recent achievements?

#### Ans:

My greatest achievement so far in my career would probably be winning the Manager of the Year award last year. I made numerous operational changes at my branch, including a massive reduction in stock levels - which significantly boosted our working capital. I also drove up sales levels, especially by increasing the uptake of after-sales insurance packages. The net effect was that we smashed the previous branch sales record by an impressive 37% - and profits rose in line with

this. This directly resulted in my promotion to the management of the flagship Edinburgh branch.
