Question - 21:

Suppose there are three light switches outside a room. Inside is a single light bulb, controlled by one of the three switches. You need to determine which switch operates the bulb. You can turn the switches on and off as many times as you wish (they are all off to begin with), but may only enter the room once. There is no one there to help you. The door to the room is closed, and there are no windows, so you cannot see inside. How can you discover which switch operates the bulb?

Ans:

Do the following steps:

- * 1. Turn ON two switches, and leave one OFF.
- * 2. Wait a few minutes.

* 3. Turn one switch from ON to OFF. One is now ON and two are OFF

* 4. Enter the room. - If the light is ON, it is controlled by the switch you left ON. - If the light bulb is OFF, touch it. If it is warm it is controlled by the switch you turned ON and OFF. If it is cold, it is controlled by the switch you never turned on.

Ans:

"He/She wouldn't say anything bad, but he/she may point out I could improve in a certain area, and I've taken steps to become better at those skills"

[View All Answers](#)

Question - 28:

What are your salary requirements In Orasi Software?

Ans:

The #1 rule of answering this question is doing your research on what you should be paid by using site like Global Guideline. You'll likely come up with a range, and we recommend stating the highest number in that range that applies, based on your experience, education, and skills. Then, make sure the hiring manager knows that you're flexible. You're communicating that you know your skills are valuable, but that you want the job and are willing to negotiate.

**Question - 30:**

Describe a time when you had to help a coworker out that did not directly benefit you?

Ans:

There should be many times where you've assisted others In Orasi Software. If you haven't, think of how you would in the future. You can discuss charitable causes, how you mentored someone, and so on.

[View All Answers](#)

Question - 31:

How would you describe your approach to Orasi Software?

Ans:

In more general terms, a question such as this gives a candidate the opportunity to talk about their professional philosophy and skills. While the question is general in nature, the best answers are usually quite specific, picking one or two points and exemplifying them with instances from personal history.

[View All Answers](#)

Question - 32:

How meticulous are you with details?

Ans:

Being detailed is important for many types of job roles. Typically you want to highlight how you've done that in previous roles. Example: "Being meticulous is important to me. In my last job, I had to count the money in the register as a cashier to make sure it matched to the receipts down to the last penny." This was to ensure there wasn't any "wrongdoing" at the company by any of the cashiers and I was always accurate in my reports.

Question - 33:

If hired, how do you intend on making a difference with our company?

Ans:

Dedicate myself to learn everything about the new company that I can, look for ways and ideas that could improve, processes, safety, removing obstacles from the associates, I want to advance within the company.

[View All Answers](#)

Question - 34:

Did you get on well with your last manager?

Ans:

A dreaded question for many! When answering this question never give a negative answer. "I did not get on with my manager" or "The management did not run the business well" will show you in a negative light and reduce your chance of a job offer. Answer the question positively, emphasizing that you have been looking for a career progression. Start by telling the interviewer what you gained from your last job In Orasi Software

[View All Answers](#)

Question - 35:

What types of situations do you consider "unfixable"?

Ans:

Most situations are "fixable" - the ones that are not are typically related to business ethics (someone is cheating the company, someone is stealing, etc)

[View All Answers](#)

Question - 36:

Why should I hire you In Orasi Software?

Ans:

To close the deal on a job offer, you MUST be prepared with a concise summary of the top reasons to choose you. Even if your interviewer doesn't ask one of these question in so many words, you should have an answer prepared and be looking for ways to communicate your top reasons throughout the interview process.

[View All Answers](#)

Question - 37:

How will you approach learning this "new" job In Orasi Software?

Ans:

Interview peers and leaders/managers, read industry news, practice the skill sets needed, absorb information on the job as much as possible.

[View All Answers](#)

Question - 38:

How do you handle repetitive tasks?

Ans:

Some people enjoy it, others don't. Which are you? If you don't like it, can you at least do it well? And if you don't like it, be ready to explain why in a positive way (i.e. your potential is to do much more than simply be repetitive)

[View All Answers](#)

**Question - 39:**

What are you most proud of?

Ans:

You should be proud of all your achievements In Orasi Software! We just don't have time to hear them all as interviewers most likely. Focus on 1 really good achievement that showcases characteristics like the following: Integrity, competitiveness, resourcefulness, intelligence, persistence, and so forth.

[View All Answers](#)

Question - 40:

Give me a few examples of how you're results oriented?

Ans:

Make you give an example where you discuss details and metrics. For example, I was a tutor in my last job and mentored 5 students on their SAT test taking skills and raised their scores by 15% on average after a 3 month teaching stint.

[View All Answers](#)

Question - 41:

What would your first 30, 60, or 90 days look like in this role In Orasi Software?

Ans:

Start by explaining what you'd need to do to get ramped up. What information would you need? What parts of the company would you need to familiarize yourself with? What other employees would you want to sit down with? Next, choose a couple of areas where you think you can make meaningful contributions right away. (e.g., "I think a great starter project would be diving into your email marketing campaigns and setting up a tracking system for them.") Sure, if you get the job, you (or your new employer) might decide there's a better starting place, but having an answer prepared will show the interviewer where you can add immediate impact-and that you're excited to get started.

[View All Answers](#)

Question - 42:

Explain an occasion when you had to adapt in the face of a difficult situation?

Ans:

One of the most useful interview tactics is to remain positive about your work and achievements. This question lets the candidate draw on their own personal history to show how they have been positive and successful in the face of difficulties. Choose a specific occasion to describe, rather than dealing with generic platitudes.

[View All Answers](#)

Question - 43:

What's your salary history?

Ans:

When you are interviewing for a new job, it is common practice for the company to ask you about your salary history. I typically want to know what the candidate's base salary is, if they receive any bonus, the average bonus amount, and any additional compensation or perks, such as 500k matching, stock grants or stock options, paid time off and how much they are required to pay towards their medical premiums.

[View All Answers](#)

Question - 44:

How would you rate your communication and interpersonal skills for this job In Orasi Software?

Ans:

These are important for support workers. But they differ from the communication skills of a CEO or a desktop support technician. Communication must be adapted to the special ways and needs of the clients. Workers must be able to not only understand and help their clients, but must project empathy and be a warm, humane presence in their lives.

[View All Answers](#)

Question - 45:

How would you go about establishing your credibility quickly In Orasi Software with the team?

Ans:

Fully understand my responsibilities, work hard and exceed expectations, learn as much as possible, help others as much as possible, understand what my teammates' goals and needs are, be on time, and gain a mentor.

[View All Answers](#)

Question - 46:

What was the most important task you ever had?

Ans:

There are two common answers to this question that do little to impress recruiters:

* 'I got a 2.1'

* 'I passed my driving test'

No matter how proud you are of these achievements, they don't say anything exciting about you. When you're going for a graduate job, having a degree is hardly going to make you stand out from the crowd and neither is having a driving licence, which is a requirement of many jobs.

[View All Answers](#)

**Question - 47:**

Do you have any question regarding this job In Orasi Software?

Ans:

Never ask Salary, perks, leave, place of posting, etc. regarded questions. Try to ask more about the company to show how early you can make a contribution to your organization like. "Sir, with your kind permission I would like to know more about induction and developmental programs?" OR Sir, I would like to have my feedback, so that I can analyze and improve my strengths and rectify my shortcomings.

[View All Answers](#)

Question - 48:

What is your greatest weakness In Orasi Software? What are you doing to improve it?

Ans:

I believe my biggest weakness In Orasi Software is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[View All Answers](#)

Question - 49:

How do you act when you encounter competition?

Ans:

This question is designed to see if you can rise the occasion. You want to discuss how you are the type to battle competition strongly and then you need to cite an example if possible of your past work experience where you were able to do so.

[View All Answers](#)

Question - 50:

How do you ensure all of your work gets accomplished in a productive manner?

Ans:

The key is to prioritize what's important in your work and to stay organized to accomplish the tasks. A strong work ethic also helps.

[View All Answers](#)

Question - 51:

What problems have you encountered at work?

Ans:

Wow, do we have problems! Where do I begin? Well, most of the problems are internal, just people not working well with each other. I have one person on our team who is a real problem, but it seems like management is afraid to do anything about it. So we all end up having to do extra work to cover for this person, who just doesn't work. We all say that he's retired in place. I think he's just holding on until retirement in a couple years. But he's a real problem. I complain about it--a lot--but nothing ever seems to get done. I've even written negative reviews about the person, hoping he will get canned, but it doesn't happen. I can't wait for him to retire.

[View All Answers](#)

Question - 52:

Describe to me the position In Orasi Software you're applying for?

Ans:

This is a "homework" question, too, but it also gives some clues as to the perspective the person brings to the table. The best preparation you can do is to read the job description and repeat it to yourself in your own words so that you can do this smoothly at the interview.

[View All Answers](#)

Question - 53:

Why do you want to work In Orasi Software for this organisation?

Ans:

Being unfamiliar with the organisation will spoil your chances with 75% of interviewers, according to one survey, so take this chance to show you have done your preparation and know the company inside and out. You will now have the chance to demonstrate that you've done your research, so reply mentioning all the positive things you have found out about the organisation and its sector etc. This means you'll have an enjoyable work environment and stability of employment etc - everything that brings out the best in you.

[View All Answers](#)

Question - 54:

Tell me one thing about yourself you wouldn't want me to know?

Ans:

Talk about a trait that you would consider a weakness. No need to talk about your deepest darkest secrets here.

[View All Answers](#)

Question - 55:

Give an example of a time you successfully worked In Orasi Software on a team?

Ans:

On the whole I prefer to stick to doing what I'm told rather than setting myself up to fail by doing things off my own bat. But there was this one time when I suggested to my boss at the pizza parlor that she try offering an 'all you can eat' deal to students to boost trade on Mondays. She thought it was an interesting idea but nothing ever came of it.

[View All Answers](#)

Question - 56:

How do you evaluate your ability to handle conflict?

Ans:

I pride myself on being a good problem solver. Through my previous job and management positions I have faced numerous conflicts in different situations, and my experiences have helped me to hone my issue resolution skills. I believe that it is important to get to and address the root of the issue, in a respectable manner.
