Question - 4:

What is more important to you money or success?

Ans:

First ask yourself that question before the interview - what are your priorities? Are money and success actual one in the same goal for you? If not, what's more important based on how do you define success?

[View All Answers](#)

Question - 5:

How do you propose to compensate for your lack of experience?

Ans:

The first thing you should do is discuss experience you have the interviewer is unfamiliar with. Once that is detailed, tell the person conducting the interview that you are able to learn new tasks and information in a reasonable period of time and possess a strong work ethic. However, only state this if you can live up to these expectations.
