USA Visitor Visa B2 Interview Questions And Answers Guide.

Question - 1:

How to apply for the second interview once we were rejected the b1/b2 visa?

Ans:

It is healthy to reapply for b1/b2 visa quiet after 6 months after your visa rejected and there is no such limitations that you can't reapply. b1/b2 is the easiest USA visa one can obtain and in such cases fails means then you have to double check your supportive docs and more over you should do your interview proper. If you are applying for business visit then behave like a business man in the interview and not just like a candidate!!

Question - 4:

I am 33 years old and working in a technical software industry. I am working in India.

I am holding 10 yr B1/B2 Visa valid till 2014.

Can someone please share with me "how soon can one visit again on B2 visitor visa"? and secondly I am assuming that they will give 3 months initially...then can we extend it? Is yes on what grounds and for how long?

Let's say I plan to come in Nov... then till when can I stay and when I can be back to go back on B2 again?

Ans:

There is no restriction for you to travel on B2 mostly but don't assume you will get 3 months initially because it's the one who decides at the port of entry. Definitely there will be questions waiting for you at port of entry and make your answers prepared and your well answers will decide your duration of stay and even there are chances to reject your entry too.
